Dear Customer,

Mulberry-Fairplains Water Association is pleased to offer bank draft as a method of payment to its customers. If you are interested in having your checking account drafted, you may fill out this form and return it to the Association office.

Your account will be drafted on the 5<sup>th</sup> of each month. When the 5<sup>th</sup> falls on Saturday or Sunday or a holiday, your account will be drafted the next business day. Please continue to make payments as usual until the message "Paid by Bank Draft" appears on the lower left side of you bill. You will still receive your normal monthly bill so that water usage and other association information can be noted.

Forms for withdrawal from the bank draft program or change of financial institutions are also available at the association office.
